

3

Docket No. UF-160CD2

Serial No. 09/821,435

Remarks

Claims 1, 4, 6, and 8 were pending in the subject application. By this Amendment, the applicant has amended claims 1 and 8 and has cancelled claims 4 and 6. The undersigned avers that no new matter is introduced by this amendment. Entry and consideration of the amendments presented herein is respectfully requested. Accordingly, claims 1 and 8 are currently before the Examiner for consideration. Favorable consideration of the pending claims is respectfully requested.

The amendments to the claims set forth herein have been made in an effort to lend greater clarity to the claimed subject matter, to correct a typographical error, and to expedite prosecution by focusing the claims on allowable subject matter. These amendments should not be taken to indicate the applicant's agreement with, or acquiescence to, the rejections of record. Favorable consideration of the claims now presented, in view of the remarks and amendments set forth herein, is earnestly solicited.

Claims 1 and 4 have been rejected 35 U.S.C. 102(a) or (e) as being anticipated by Wahl *et al.* (U.S. Patent No. 5,449,688). Please note that claim 1 has been amended herein to include the limitation of previous claim 6 (to which this rejection was not applied). Thus, the applicant respectfully submits that the rejection under 35 U.S.C. 102(a) or (e) based on Wahl *et al.* has been rendered moot.

In view of the foregoing remarks and amendments to the claims, the applicant believes that the currently pending claims are in condition for allowance, and such action is respectfully requested.

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§ 1.16 or 1.17 as required by this paper to Deposit Account 19-0065.
